PART B

(Read carefully the following case and answer the questions given below)

6. Tough Tyres, a Pvt LTD company buys land adjacent to a residential colony. There is a Primary school also nearby. The residential association calls up a meeting when they come to know that Tough Tyres was going to build a manufacturing unit for tyres in the newly purchased land. The company is owned by Mr. Shekar Kumar, who is a Mechanical engineer by profession. The Association, meanwhile checks with the company about the safety and preventive measures taken by the Company regarding hazardous gas and smoke emission and waste management. The Association is not fully convinced by the company manager's explanation. Meanwhile Mr. Shekar Kumar calls up the President of the Association and offers a job for the President's son who has recently completed his BTech in Mechanical Engineering. Soon the tyre production unit starts operating. The Residential Association lags to take up the probable environmental issue.
 - (a) Who are the key players in this case? (1)
 - (b) Why is the production unit a threat to the populated area? (6)
 - (c) Is Mr. Shekar justifiable in offering a job? (6)
 - (d) Explain the moral issues involved in this situation (6)
 - (e) Evaluate the civic duties that were neglected by the Residential Association. (6)
